Dear Ambassador

**22<sup>nd</sup> International Engineering & Technology Fair (IETF 2017)**  
2-4 February 2017: Pragati Maidan: New Delhi, India

The 22<sup>nd</sup> edition of the International Engineering & Technology Fair (IETF) is being organized by Confederation of Indian Industry (CII) from 2 - 4 February 2017 at Pragati Maidan, New Delhi.

IETF, the biennial flagship event of CII since 1975, has achieved the status of a comprehensive international B2B platform with the congregation of Industry leaders, Policy makers, media and the Diplomatic community.

Focusing on the "Make in India" initiative of the Government of India, IETF 2017 will have focused concurrent shows on specific industry sectors like, industrial automation, green mobility solutions, gadgets and gizmos, modern logistics solutions, metal and metallurgy, real estate and building technology, water and waste recycling technologies, welding and joining technologies, etc., where companies from India and overseas would display latest products and innovations in exclusive pavilions. Over 500 companies from 25 countries are expected to participate at this event, spread across an area of over 40,000 square meters of exhibition space. IETF 2017 is supported by 10 Ministries of Government of India and Government of NCT of Delhi, besides several relevant industry associations. Information on IETF is enclosed for your reference please.

Around 30 Conferences/Seminars and Workshops on subjects relevant to the focused industry segments, are also planned, where experts and decision makers join together to discuss and deliberate on bringing latest technologies and innovations to the Indian Manufacturing and Services Industry, in line with the "Make in India" initiative of the Government of India.

I am writing to seek your support and request your help in facilitating participation of visitors from United States of America to attend IETF 2017. May I also request you to please disseminate this information to relevant associations and businessmen there. We would also be happy to follow up and touch base with any specific list of contacts directly if you so advice please.

I look forward to your kind support and guidance.

*kind regards*

Yours sincerely,

Chandrajit Banerjee
